

Testing –

Test Case 1:

Invalid Case -> When admin enters wrong username and password, an error message is displayed.

Valid Case -> When admin credentials are correct, it lets the admin into the main page.

Test Case 2:

Invalid Case -> Toll Gate block is a mandatory field and hence it won't take blank values.

The screenshot shows the 'Toll Tax Management System - Admin' interface. The left sidebar contains navigation links: Dashboard, Main (Passes, Passes History), Reports (Daily Passes Report, Daily Passes History Report), and Maintenance (List of Category, List of Toll Gates, User List). The main content area displays a form for adding or editing a user. The form fields are: Password (masked with dots), Type (dropdown menu set to 'Toll Collector'), Toll Gate (dropdown menu), and Avatar (file upload area with a 'Choose file' button and a 'Browse' button). The Toll Gate dropdown menu is open, showing a message: 'Please select an item in the list.' Below the form are 'Save User Details' and 'Cancel' buttons. The bottom left corner shows the URL 'localhost/ttms/admin'.

Valid Case -> Toll Gate block is filled with a value.

The screenshot shows the same 'Toll Tax Management System - Admin' interface. In this case, the Toll Gate dropdown menu is filled with the value 'Toll Gate 1'. The form fields are: Password (masked with dots), Type (dropdown menu set to 'Toll Collector'), Toll Gate (dropdown menu set to 'Toll Gate 1'), and Avatar (file upload area with a 'Choose file' button and a 'Browse' button). Below the form are 'Save User Details' and 'Cancel' buttons. The bottom left corner shows the URL 'localhost/ttms/admin'.

Test Case 3:

Invalid Case -> If a username is present in the user list, then it indicates that the username already exists.

The screenshot shows the 'Toll Tax Management System - Admin' interface. A red banner at the top of the form area displays the error message 'Username already exist'. Below this, the form fields are as follows:

- First Name:** shreeya
- Middle Name:** (empty)
- Last Name:** rana
- Username:** shreeya
- Password:** (masked with dots)

The left sidebar contains navigation links for Main, Passes, Passes History, Reports, and Maintenance, with sub-links for various reports and user management options.

Valid Case -> Else a new user is created in the user list.

The screenshot shows the 'User List' page in the TMS - PHP Admin interface. It displays a table with 4 entries. The table has columns for #, Date Updated, Avatar, Name, Username, Type, and Action. The entries are as follows:

#	Date Updated	Avatar	Name	Username	Type	Action
1	2022-04-28 16:09		Blake, Claire C	cblake	Toll Collector	Action ▼
2	2022-11-29 22:52		shankar, sahana s	sahana	Toll Collector	Action ▼
3	2022-11-29 23:32		yr, sarveksha	sarv	Toll Collector	Action ▼
4	2022-11-29 23:30		rana, shreeya	shreeya	Toll Collector	Action ▼

Below the table, it says 'Showing 1 to 4 of 4 entries'. At the bottom right, there are navigation buttons: 'Previous', '1' (selected), and 'Next'.

Test Case 4:

Invalid Case -> If @ is not present in the Email ID.

The screenshot shows the 'USER DETAILS' form for 'Vankadara Neha' with a fee of ₹ 1.00. The form fields are:

- Email *: sahanashankar2017gmail.com (Invalid: Please enter valid email address)
- Phone *: 9845396550
- Vehicle RegNo *: ka08

The 'PROCEED TO PAY' button is visible at the bottom of the form. The background shows the TMS - PHP dashboard with a sidebar menu and a top header with the user 'Administrator Admin'.

Invalid Case -> If 10 digits are not present in the phone number.

The screenshot shows the 'USER DETAILS' form for 'Vankadara Neha' with a fee of ₹ 1.00. The form fields are:

- Email *: sahanashankar2017@gmail.com
- Phone *: 11 (Invalid: Please enter valid phone number)
- Vehicle RegNo *: ka08

The 'PROCEED TO PAY' button is visible at the bottom of the form. The background shows the TMS - PHP dashboard with a sidebar menu and a top header with the user 'Administrator Admin'.

Valid Case -> Payment options displayed.
